FR. KENN'S UPDATE ON THE ROOF PROJECT

Now that we have gotten the final numbers and are making the final payment on the roof, I wanted to take an opportunity to share with everyone the final numbers on the roof project. After negotiations, we were able to get the roof, the siding on the west side as well as gutter all for \$109,000. Over these last couple months as we have been raising money for the roof as a parish, we have managed to raise \$109,108. Again, thank everyone so very much for their generous contributions to the repair of our roof, and providing for all of our students in this very generous way. Thank you all again so very much.

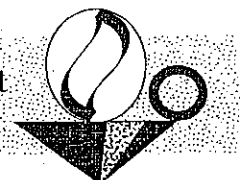

REJOICE ADVENT - Our Advent reflection books "Rejoice" for the parish are now available at the side and front entrances to the Church. You can meet with a group on Wednesday night during Advent or use Rejoice as a family devotion or individually. Videos are available online by using the QR Code in the books. If interested in the Wednesday evening group session, please contact Sandy Vrbas at dre@shottawa.org. We will start at 6:30pm on the following Wednesday nights:

Nov 20: Intro & Week 1 video
Dec 4: Week 2 video/session
Dec 11: Week 3 video/session
Dec 18: Week 4 video/session

MagnifiKid!

Parents of children about 6 - 12 years of age, remember to ask the greeters for a copy of the MagnifiKid! This missalette helps children participate in Mass, understand challenging terms, and learn about the Church. Adults can learn a lot from MagnifiKid! too.

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT (CCHD)

Nearly 38 million people in the United States live in poverty. CCHD supports those living in poverty by funding programs that empower local communities to address the challenges they face. It identifies and addresses the unique obstacles people face as they work to lift themselves and their communities out of poverty. Through this collection, you support programs that address the root causes of poverty and provide a sustainable future for those struggling across the country. In addition, 25% of the funds we collect remain in our diocese to fund local anti-poverty projects. By supporting this collection, you are giving those on the margins a hand up, not a handout. Please prayerfully consider how you can support this collection and those working on the margins. Please be generous. Thank you!

More information about the Catholic Campaign for Human Development can be found at: www.usccb.org/cchd

Please place your contribution in the collection basket before December 2nd.

ENCOUNTER HEALING SERVICES

Are you in need of prayer for physical healing - chronic conditions, broken bones, pain, cancer? Encounter School of Ministry is hosting three upcoming healing services. We have an expectation and faith for Jesus to work physical healing miracles on these nights. The night will consist of a time of worship, gospel presentation on healing, corporate prayer for healing, and individual prayer for healing. We encourage anyone in need of physical healing to come as well as anyone wanting to encounter manifestations of God's presence. This is an open event - no cost or registration. Jesus still heals today and desires to demonstrate the truth of the Gospel through healing.

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

The Catholic Church teaches the fundamental importance of paying workers a living wage that allows them to meet their basic needs. Cooperative businesses are co-owned by the employees, which gives workers greater say in how the business is run, including the wages and salaries that workers earn. Those principles animate the work of the organizations creating opportunities and fighting poverty with support from the Catholic Campaign for Human Development (CCHD).

Seed Commons is a New York City-based national network of community loan funds that make cooperative businesses easier to start and less expensive than obtaining bank loans. Based on a “nonextractive” model, Seed Commons does not require borrowers to make payments on interest or principal until they can cover operating expenses, including market-rate salaries. With support from CCHD, Seed Commons helps workers become

cooperative owners who earn living wages at companies like a Chicago-based window manufacturer, which pays \$2/hour more than it did before it became a cooperative. The employee-owners now earn not only higher wages but profit-sharing checks as well.

Your support of CCHD helps workers become worker-owners who earn living wages and establish economic roots in communities that badly need greater employment and earning opportunities. When you give to the CCHD collection, you help not only national networks like Seed Commons but also organizations working to end poverty within your diocese, where 25% of your contribution stays to create opportunities in your own neighborhood.

To learn more about the collection for the CCHD and the way CCHD upholds the moral and social teachings of the Catholic Church, visit www.usccb.org/cchd.
