FORGIVENESS 101 – FREE WORKSHOPS

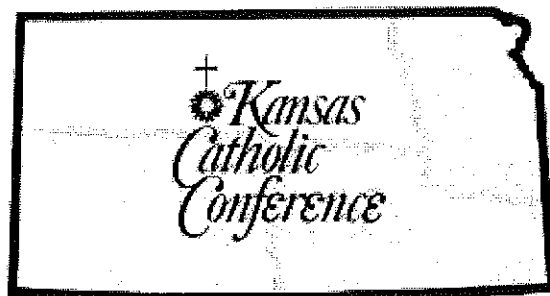

In partnership with Forgiveness Institute KC, the Office of Evangelization will be hosting Forgiveness 101 workshops in Topeka and Johnson County in September. Chuck Jansen (founder) will be offering these workshops for pastors and parish leaders interested in learning more about the process of forgiveness. Pastors/parish leaders that attend will be equipped with training and materials to share this content at their parishes with other small groups. Many pastors share with us the pain of broken relationships experienced within their parish communities. This brokenness can be a deep wound that affects our lives, communities and our relationships with Christ. These workshops (and this program) are being offered as part of the diocesan year of preparation in support of parish life through the Revival: Eucharist Amazement initiative. For more information, please visit: Forgiveness Institute KC – www.yeabut.org You can also contact: Chuck Jansen – jansenchuck@gmail.com Emily Lopez – elopez@archkck.org

FOR IMMEDIATE RELEASE

KANSAS BISHOPS REACT TO VALUE THEM BOTH AMENDMENT'S FAILURE TO PASS

We, the Catholic bishops of Kansas, join our people in expressing our disappointment that the Value Them Both Amendment did not pass. We are sorry to see that the most vulnerable human being in our society—the unborn child—will not be protected but further treated with indifference and injustice.

Please be assured that we will continue our efforts to protect and support life. We fully believe that all life is sacred and valuable by God's design, especially the unborn. Despite the outcome, the Church will continue to help mothers in crisis pregnancy situations. We will still promote ways in which a mother may say yes to life instead of choosing an abortion.

To those who voted "no" on the amendment, may we somehow work together in finding ways that support women's rights but also the rights of the unborn. We also pray for those who have had abortions. The arms of the Church are always open so that those who are suffering may experience God's mercy, compassion and healing by our words and actions.

We want to express our gratitude to the thousands of people who joined in voting "yes" for Value Them Both. Thank you for your courage, your generous support and hard work in promoting the Value Them Both Amendment.

There is much more to be accomplished in helping our society see the value and dignity of every human life from conception to natural death. We trust that God will bring good out of evil. In the end, the truth wins! No matter how deep the darkness is, no matter

how long it reigns, no matter how much it grows, it cannot destroy the light. Too often, it can seem that evil is winning, but we know that the darkness will never defeat the light of Christ. We will continue to preach the truth with love and place all our trust in Jesus who gives us hope. **"I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life."** John 8:12

VALUE THEM BOTH DEFEAT
ARCHDIOCESE OF KANSAS CITY IN KANSAS

August 3rd, 2022

We are disappointed about the defeat of the Value Them Both Amendment yesterday. It saddens us to see the continued injustice for the most vulnerable among us, the preborn child, and the loss of protections for women who are vulnerable due to an unplanned or challenging pregnancy.

We express our gratitude for the overwhelming number of prayers, volunteer hours and sacrifices that so many good people throughout Kansas have committed to this effort. The joy, perseverance, and courage shown by the coalition and its grassroots volunteers amidst a very hostile opposing campaign is inspiring.

Unfortunately, we were not able to overcome the millions spent by the abortion industry to mislead Kansans about the amendment, nor the overwhelming bias of the secular press whose failure to report clearly on the true nature of the amendment served to advance the cause of the abortion industry.

The Church and the pro-life community will continue its tangible and compassionate service to women facing unplanned and difficult pregnancies and to women and men needing healing after being hurt by an abortion. In fact, we commit to increasing our support as Kansas becomes a destination state for unrestricted abortion.

The pro-life community persevered through 50 years of Roe. In Kansas, we will continue our defense of the dignity and sanctity of all human life. Life will be victorious!
